Read the releases, and get on SREA first thing Friday morning!

Surprisingly, although each person imagines everything possible has already been done with the object by the previous participants, each interaction always has a totally unique quality.
The boys of Fieldstone Farm.
At this point I could juggle, but couldn't do anything fancy while down the strip the best juggler in the world is performing.
I am using the term "real" to mean an edition of our self that is open, inclusiv

e, and honest.

The more distant it becomes the more full assumptions it may be.

Our memory of an event is only a vicarious representation of the event itself.

Strange - an actor shunning the acclaim of his audience?

MotionFest is a gathering, celebration, exchange of ideas and opportunity for performers to further their knowledge within the manipulative, movement, and variety arts.

Surprisingly, although each person imagines everything possible has already been done with the object by the previous participants, each interaction always has a totally unique quality.

If we are in crazy territory, and the other person is in control of the interaction, it is very likely that they are crazy, and so we should say 'thank you', and just move on.

Over the past six months I have invited clowns from all walks of life to submit anecdotes for the book, and I have received a wide range of submissions.

The situation in the Basque country however was still critical with separatists and government-forces committing acts of violence against each other in the name of freedom.

im wondering if i should go and do the spring clown course at bonts.

His eyes were wide and I detected a surge of fear in me which I couldn't quite reason with.

Then I was lucky enough to start working with Jason McPherson, a truly inspirational man.

Receiving and giving advice, clarity and inspiration every day.

Art and living may be treasured repeatedly, but must yield to the next magical moment!

They must keep physical contact with the object, and once in the flow, the participant follows the emotional and physical impulses provided by their interaction with the object.

Like any art form it has to evolve to stay relevant to the culture nurturing it, and with the huge changes in society over recent years, there has been a corresponding growth in the clown art form.
