

Partnership Opportunity

*We also would like you to consider joining us as a Partner or Partnering Network. The Re-imagining Education Conference 2.0 is offered in the spirit of the **gift economy**, and welcomes financial contributions that will be used to:*

- Offer gifts to those who share their knowledge, wisdom, and art
- Celebrate the time organizers took to bring this event to life
- Fund outreach efforts and sharing of content before and after the event

Here are things we can offer partners:

- Your logo featured on our website
- Mention(s) on social media ahead of the event
- You can propose to host a session, join one of the panels or contribute as a moderator/facilitator.
- Information about your organization shared as a resource to participants during our closing ceremony & in follow-up resources

Contribution range: \$200-\$1200*

***A note on contribution:** If your organization is not able to make a financial contribution, we are open to exploring alternative ways of supporting one another. We recognize that all organizations operate with different access to resources and want to celebrate the unique ways we can co-create together.
